

The image shows a blank KiCad PCB layout sheet. The sheet is divided into a grid with columns numbered 1 to 5 and rows labeled A to D. The grid lines are thin and light gray. In the top-left corner, there is a small yellow rectangular area containing several circular pads, each labeled "REF**". To the left of this area, there is a vertical list of component footprints: J26, J33, J38, J34, J15, J22, J21, J39, J20, and J19. Below this list, there are three more circular pads, each labeled "REF**". The bottom-right corner of the sheet contains a title block with the following text:
